

THE HONDO ANVIL HERALD.

HONDO, MEDINA COUNTY, TEXAS, SATURDAY, SEPTEMBER 20, 1924. VOL. 39. No. 8

LOCAL AND PERSONAL.

A press dispatch from Kerrville on the 15th instant regarding the football schedule of the Schreiner Institute has this to say of a Hondo boy: "Coach Neeley has three good candidates for quarterback. Tony Windrow of Hondo, a little fellow resembling oiled lightning, is topping the list for the position, while Boykin and Edwards are trailing him closely." Tony's Hondo friends have been watching his football career with much interest and are pleased with his success.

Gin Statistician J. P. Lippold reports 2,898 bales of cotton ginned in Medina County from the crop of 1924 prior to September 1, 1924, as compared with 2,763 bales ginned up to a like date last year. While this shows an increase over last season, owing to the protracted drouth of July and August and the rapid opening of the cotton, it is not probable that the total yield will be so large as last year.

The Good Will Trippers from San Antonio will be here at 7:45 a. m. Wednesday and remain 45 minutes. Be up and have your face washed early, as they have no time to waste and can not wait on you to linger over your ablutions. We do not know what the program is, but presume it is merely a get acquainted visit.

For Sale or trade, Dodge Sedan, excellent condition, 5 wire wheels, new rubber, new battery, shock absorbers, a bargain. Consider Ford runabout or milk cow as part trade. E. Richards, Lacoste.

You Will enjoy Reading Zen of the Y. D. A story now running in Farming. All the numbers containing the story for only 25c.

Dr. Fenelon has located in Castroville for the practice of his profession and will office at the Castroville Drug Store. Dr. Fenelon is a physician of several years experience. He comes to Medina County from Karnes County.

The Mexican population staged a two day celebration of their national holiday, Diez y Seis, here Monday and Tuesday of this week. College Square was the scene of the festivities, and patriotic speaking, dancing, etc. were the pleasures indulged in. People were here from all over this section for the occasion.

For Sale at a Bargain, a 640-acre farm, 320 acres in cultivation, rest in pasture but all tillable, three tenant houses, two good wells, all fenced, 15 miles south of Hondo and 1 1/2 miles north-east of Yancey. Also a 14-acre tract in south part of town of Hondo. Apply to L. J. Schmidt, Hondo. 4t.

FIRE ALARM.

A fire alarm sounded by the Ice Plant about 6:30 o'clock Thursday evening, I threw Hondo into commotion. For the want of definite information the fire company and the people first made a run to the home of Mr. R. J. Reily, while the fire was at the home of Mr. Jacob Reily. However, the mistake was soon discovered and the run was made to the Southern part of the town. When the fire company arrived, however, it found that its services were not needed, as the fire was already out. The fire was located in the kitchen. The oil of the oil stove either had not been turned off at dinner time, or had been turned on by some children who had been playing around the house without the knowledge of the elder people, and had filled the containers and over-flowed on to the floor. This was not noticed when the stove was lighted. When the stove heated up the waste oil ignited and for awhile an ugly situation confronted the occupants. Probably due to the fact that the walls of the kitchen had been covered with oil cloth and the floor with linoleum a disastrous fire was averted. As it was the oil cloth and linoleum was destroyed and the walls scorched, but the fire was out when the fire company arrived. The damage is estimated around \$400, covered by insurance.

SONINNEI OI LI EXAI

IN LOVING REMEMBRANCE OF OUR DEAR FRIEND, ESTHER FASELER.

GONE BUT NOT FORGOTTEN.

A precious one from us has gone,
A voice we loved in stillness,
A place is vacant in our home,
Which never can be filled.

God in His wisdom has recalled,
The boon his love had given,
And though the body slumber here,
The soul is safe in Heaven.

Dearest Esther, thou hast left us,
And our loss we deeply feel,
But 'tis God that has bereft us,
He can all our sorrows heal.

Yet again we hope to meet thee,
When the day of life is fled,
When in Heaven in joy to greet thee
Where no farewell tears are shed.

Peaceful be thy silent slumber,
Peaceful in thy grave so low;
Thou no more will join our number,
Thou no more our sorrows know.

Yet again we hope to meet thee,
When the day of life is fled,
And in Heaven with joy to greet thee
Where no farewell tears are shed.
A FRIEND.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

A HOG SHORTAGE.

County Agent Forgeson Calls Our Attention to the Following From a Recent Letter Received by Him.

"The Fort Worth Stock Yards Company is now prepared to co-operate with Chambers of Commerce, Bankers and County Agents in securing well selected gilts not registered, at meat prices plus the cost of immunizing, freight, etc. There is now an 8,000,000 shortage in the pig crop; there are 200,000 farms in Texas without a pig of any kind; and it is costing Texas over \$70,000,000 annually to buy pork products from other states; with a rising hog market and the prospects of a fair crop of grain sorghums, it looks like it is time for the farmers of the State to restock their farms. Indifference and the lack of information on the value of hogs to general farming has been the biggest limiting factor the swine industry has had in Texas, and not the price of registered animals.

Farmers whose farms have had no hogs for the past year and are no doubt free from infection should now restock with registered hogs where it is possible to do so, and then keep their farms in a sanitary condition."

Mr. Forgeson says there are numerous Medina County farms that have no hogs, and he thinks this condition should be corrected.

GET RID OF THAT BACKACHE!

Hondo People Point the Way.

The constant aching of a bad back. The weariness, the tired feeling; Headaches, dizziness, nervousness, Distressing urinary disorders—Are often signs of failing kidneys. And too serious to be neglected. Get rid of these troubles!

Use Doan's Pills—a stimulant diuretic to the kidneys. Hosts of people recommend Doan's. This is a Hondo case. You can verify it.

Joe Huesser says: I suffered with my back and my kidneys bothered me a great deal. I had knife-like pains in my kidneys every time I moved. I had to get up nights on account of the irregularity of my kidneys. The secretions burned in passage and were highly colored. A friend told me of Doan's Pills so I used them and they cured the attack."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Huesser had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

They are now at home on the Ray Taylor farm after a brief honeymoon trip to San Antonio.

"In Washington a beautiful building,
National Red Cross headquarters,
houses the various Red Cross depart-
ments. In this building there is an
assembly hall where the National Red
Cross conventions and other important
gatherings are held. A new memorial
tablet was placed in the Red Cross
building May 18, 1923. It is significant
that this tablet was placed under the
stained glass window that was the
joint gift of the Women's Relief Corps
Auxiliary to the Grand Army of the
Republic and the United Daughters of
the Confederacy. Besides the name of
the donors and their presidents, the
inscription is simple. There is the
American National Red Cross with the
emblem, and this one line: 'One in
service for the common good.' This
line indicates the character of service
which the Red Cross has always ren-
dered in the past, which it is now ren-
dering, and which it will always be
called upon to render—service for the
common good."

In order to answer the question at
the head of this article, the National
Red Cross publishes an official organ
called the "Red Cross Courier." It
comes weekly and the subscription
price is small. It gives news of
Red Cross activities and responsibil-
ities belonging to the Red Cross all
over the world.

The Seventh Roll Call, which took
place in November, 1923, marked the
first increase in Red Cross membership
since the close of the World War.
Three million, four hundred and sev-
enty-one thousand members were en-
rolled between Armistice Day and
Thanksgiving Day in the American
Red Cross.

"The popular appeal of the Red
Cross lies in the opportunity for ser-
vice in a great variety of channels. The
strength of the Red Cross lies in its
large number of members, who are to
be found in every county and small
community of the land, as well as in
the large cities."

THE AMERICAN BROOM- CORN PRODUCTS ASS'N.

The American Broomcorn Products
Association, with factory in Devine
and head office in San Antonio, will
be the style of a new firm, promoted
by R. H. Burgess of San Antonio, it
was announced this week. Mr. G.
F. Adams and others of Devine will
join Mr. Burgess in taking out neces-
sary papers under a Declaration of
Trust. Mr. Burgess informed The
Newsman Monday, when he placed
his first order for printing. The cap-
ital stock will be placed at \$30,000.
The new plant is expected to man-
ufacture brooms and other straw
products, we understand. The work
of sealing the stock has begun and
as soon as sufficient amount of stock
is sold work will begin on the plant.
A deal was on Monday with the
small factory already running here,
which may be taken over by the big
factory, allowing stock in the new
factory. Mr. Burgess said local of-
fice will be maintained in Devine,
but thought to have head offices in
San Antonio would give more
prestige to their products.

S. A. Jungmann and R. H. Bailey
Hondo were both in Devine the past
week seeing the dear people about
their race for county clerk.

We are glad to hear that our old
friend L. E. Bendele is improving in
health lately and his friends hope
he may get up. His weight has
been reduced to around 200 pounds
again.

FARMER LOST FOUR MULES

Alfred Naegelin lost three mules
the past week dying in quick suc-
cession and a fourth expected to die.
County Agent Forgason came down
and took a blood test, which was
analyzed by Dr. Smith, county health
officer at Hondo, and we under-
stand pronounced it charbon. Medi-
cine was hastily sent out from San
Antonio and all exposed animals
will be vaccinated and placed under
quarantine. Mr. Naegelin has about
50 head of cattle and Mr. C. Collins
about the same number on the
adjoining farm drinking out of the
same pool of water. We hope the
disease will be checked at once. F.

X. Schneider lost about 18 head of
cattle, all his milk cows, three or four
years ago in the same neighbor-
hood, and on the farm now occupied
by Mr. Collins, but the disease didn't
seem to scatter then. Mr. Collins
says it is highly contagious and peo-
ple sometimes take it and die with
the disease where the bacteria gets
into their blood. It has been in the
northern part of the county and
further north and west for two or
three years, breaking out spasmodi-
cally; and a few times very seriously.

CITATION BY PUBLICATION.

THE STATE OF TEXAS,
To the Sheriff or any Con-
stable of Medina County—GREET-
ING:

YOU ARE HEREBY COMMAND-
ED, That by making Publication of
this Citation in some newspaper pub-
lished in the County of Medina, for
four weeks previous to the return day
hereof, you summon William Means,
and the unknown heirs of the said
William Means, deceased, whose resi-
dence is unknown, to be and appear
before the Hon. District Court, at the
next regular term thereof, to be held
in the County of Medina, at the
Court House thereof, in Hondo, Texas,
on the 11th Monday after the
first Monday in August, 1924, the
same being the 20th day of October,
A. D. 1924, then and there
to answer a Petition filed
in said Court, on the 9th day of Sep-
tember A. D. 1924, in a suit num-
bered on the docket of said Court No.
2040, wherein Lee Ward, P. S. Ward,
H. G. Wilson and Wesley Ward, are
plaintiffs, and William Means, and
the unknown heirs of the said Wil-
liam Means, deceased, are Defend-
ants. The nature of the plaintiffs'
demand being as follows, to-wit:

That plaintiffs own by a good and
valid title in fee simple, all that
certain piece, parcel and tract of
land, lying and being situated in Me-
dina County, Texas, described as fol-
lows:—654 acres of land, of the
League of land known as Survey No.
764, in the name of Adam Coble;
Beginning at the S. E. Corner of a
160 acre tract of land, out of the N. E.
Corner of said League, and at a
point in the East line of said League
950 vrs. South of its N. E. cor-
ner from which a mesquite 19 in. in
dia. and marked near the
ground fixes the corner; thence West
along the South boundary line of said
160 acre tract of land and the South
boundary line of a 947 acre tract of
land, out of said League 6695 vrs.
to the West line of said League and
the S. W. cor. of said 947 acre tract;
thence south along the West bound-
ary line of said League 535 vrs. to a
stake and mound on said boundary
line for S. W. corner of the said tract
of land; thence East 6695 vrs. to a
stake and mound on the East bound-
ary line of said League for the S. E.
corner of these 654 acres of land;
thence North along the said East
boundary line of said League 535
vrs. to the place of beginning; That
plaintiffs, Lee Ward and P. S. Ward,
obtained the title to said land by
virtue of a Warranty deed from C. L.
Kilgore and wife, Anna R. Kil-
gore, dated November 30, 1899;
that plaintiff, Lee Ward, still owns
all that part of said tract of land,
lying West of the Hondo-Kilgore and
Frishtown 3rd class public road; and
that plaintiff H. G. Wilson owns a
part of said tract lying East and ad-
joining said public road; and that
plaintiff, Wesley Ward, owns a part
of said tract between the Wilson
part and the East line of said tract
of land; that plaintiffs, H. G. Wil-
son and Wesley Ward, hold under
and by virtue of deeds from plain-
tiffs, Lee Ward and P. S. Ward, and
their assigns, and their title to said
land is based upon the title of said
Lee Ward and P. S. Ward, the other
plaintiffs herein, that if it should be
found by the Court that these plain-
tiffs do not own said land in fee
simple by and through a regular and
consecutive chain of title, then these
plaintiffs say and aver that plaintiffs,
Lee, and P. S. Ward entered upon
the above described land, and took
exclusive possession thereof on or
about November 30, 1899, under and
by virtue of their deed to said land
from C. L. Kilgore and wife, which
said deed was duly filed by them for
record in the County where said
land was located on the 11th day of
December, A. D. 1899, and that from
that time, continuously, for more
than five years thereafter said plain-
tiffs, Lee, and P. S. Ward, had the
actual adverse, peaceable, continuous
and uninterrupted possession of said
land, cultivating, using and enjoy-
ing the same, paying all taxes there-
on, claiming the title to said land
under and by virtue of the aforesaid
deed for the full period of five years
or more, and that during such time
the title of plaintiffs, Lee and P. S.
Ward, to said land was never at any
time questioned or disputed by any
one, wherefore if defendants, or any
of them ever had any cause of action
for any claim, right, title or interest
in and to said land, such cause of ac-
tion is barred by the statute of limi-
tation of five years, which title so
acquired they herein specially plead;
that if it should be found by the
court that these plaintiffs do not own
said tract of land under and by vir-
tue of the five year statute of limi-
tation, then these plaintiffs say and
aver that they and those under whom
they claim title, have had and held
peaceable and adverse possession of
all of said land, cultivating, using
and enjoying the same for more than
ten years next preceding the filing
of this suit, and also that plaintiffs
Lee and P. S. Ward, had and held
adverse peaceable possession of said

land and premises, cultivating, using
and enjoying the same for full ten
years next preceding the acquisi-
tion of said land by them from C. L.
Kilgore and wife, on November 30,
1899; that said land was enclosed
during all of said period of time by
a good substantial fence, and that
plaintiffs, during all of said time,
claimed, used and occupied said
land openly and notoriously as their
own land and adversely to the
whole world, wherefore these plain-
tiffs say that they have a good
and perfect title to all of said land
under and by virtue of the ten
year statute of limitation, which
title so acquired they here now plead;
that the defendants assert some right,
title, claim or interest in and to said
land, all of which constitutes a cloud
upon the good title of plaintiffs to
said land, and that plaintiffs are en-
titled to and should have judgment
against said defendants, and each
of them establishing, maintaining
and quieting plaintiffs' title to said
land and every part thereof; plain-
tiffs pray that defendants be cited
to appear and answer herein as re-
quired by law, and that upon a hear-
ing hereof they have judgment es-
tablishing maintaining and decreeing
to them and each of them the title to
their respective parts of said land,
and that the cloud be removed from
plaintiffs' title caused by defendants'
claim thereto, and that the title to
said land be vested in plaintiffs free
of any right, title, claim or interest
which said defendants or any of them
may have in and to said land, and
plaintiffs pray for such other and
further orders or decrees, legal or
equitable, to which they may be
justly entitled.

HEREIN FAIL NOT, and have you
before said Court, on the said first
day of the next term thereof, this
Writ, with your endorsement thereon,
showing how you have executed the
same.

Given under my hand and seal
of said Court, at office in Hondo this,
the 9th day of September A. D. 1924.
Issued same day.

(L. S.) AUGUST KEMPF,
Clerk District Court, Medina County,
Texas.
